

Français de base

Hello and welcome to the 2008-2009 school year! I am honored to have the opportunity to spend the next school year learning with your student! I would like to take this opportunity to introduce myself early in the school term. I am Mrs. Megan Vermeylen and I will be your student's French teacher!

Throughout the school year, we will be exploring a variety of themes in our French classes. Each theme consists of vocabulary, verbs, sentence structures, and language outcomes. A variety of methods will be used to accommodate to the many learning styles of the students and to encourage them to participate in French. Some of the methods include: games, group work, projects, presentations, and activities. My goal is to make the French program motivating for the majority of the students in hopes that they will want to continue their French studies in the years to come!

The students will be evaluated as follows:

Assignments	40%
Tests	20%
Projects	20%
Oral work	10%
Portfolio	
	10%

100%

I am looking forward to the upcoming year!
